

Vasiliki Mikeli

Galatsi,Athens | +30 6980759683 | vmikeli@outlook.com | Born: November 2000 | Single | Greek

PROFILE SUMMARY

Engineering student with an M.Sc. in Computer Science, with hands-on experience in electronics, embedded systems, and hardware construction. Background in UAV development, processor reliability research, and student engineering competitions. Currently also gaining practical exposure in IT.

SKILLS

PROFESSIONAL SKILLS Communication | Critical Thinking | Teamwork

TECHNICAL SKILLS Electronics | Micro-Controllers | Mechatronics | AI/Neural Networks |
Microsoft Power Platform | C | Python | Java | FPGA Fundamentals |
HTML & CSS | Linux

EDUCATION

2024-Present

M.Sc. Computer Science | National and Kapodistrian University of Athens

- **Thesis:** Design and Implementation of a Multi-Core CPU Reliability Testing Framework using Arithmetic Workloads

2018-2024

Integrated Master, Industrial Design & Production Engineering | University of West Attica

- **Thesis:** UAV Construction Based on Neural Network
- **Member of Poseidon Team:** A student research team that designs and builds single-seater vehicles. Team leader of marketing team and member of telemetry team, Formula Student & Shell Eco Marathon

WORK EXPERIENCE

IT Business Enablement | PwC | Internship

2026-Present

- Design and maintained a structured requirements database (Microsoft Dataverse) with automated traceability workflows and status-tracking dashboards (Power Automate) to ensure consistency and verification across project phases.

Project Management | Netcompany

2024

- Responsible for evaluating project requirements

Sales | Nestle

2021-2023

Technical Division | Ministry of Foreign Affairs | Internship

2020

- Work on automation system design and technical drawings across various projects

CERTIFICATES

IT CERTIFICATE | University of West Attica
